

CALL FOR PAPERS

International Conference

Creativity and Innovation in Digital Economy

27 – 28 October 2022

The aim of the conference is to provide a forum for discussion on innovative research, in the field of development economics. The impact of digital economy in innovation ecosystems is crucial. Some of the major trends of the future economy are open business, platforms, agile companies, and adaptive ecosystems. Digital economy is a component of technological progress and a major game changer in the economics.

The conference welcomes both empirical and theoretical contributions on general issues concerning 4 major topics:

- ✓ Creative skills challenges in digital age (*Section 1*)
- ✓ Co-creation, living labs and innovation ecosystems (*Section 2*)
- ✓ Innovative open business models and platforms (*Section 3*)
- ✓ Social and cultural impact of building digital economy (*Section 4*)

Scholars, freelance researchers, and Ph.D. candidates are invited to submit their abstracts related to the topics of the conference and development economics in general to be considered for presentation at the annual conference of the Faculty of Economic Sciences from Petroleum-Gas University of Ploiești, Romania.

The CIDE 2022 international conference of Faculty of Economic Sciences will be held at Petroleum-Gas University of Ploiești **on 27 and 28 October 2022**. The event will take place in hybrid format.

Abstract Submission

An **extended abstract** (300-400 words) in English should be submitted via email, by sending it to cide@upg-ploiesti.ro, no later than **September 30, 2022**, describing the aims of the paper, methodology and preliminary results.
